

FIRST DECENTRALIZED PLATFORM FOR TRADE, RENT AND INVEST FOR REAL ESTATE BUSINESS. A MARKETPLACE POWERED BY BLOCKCHAIN AND OWN MTRX TOKEN.

MeterX platform amplifies real estate business with a transparent platform using a Blockchain. The platform is capable to provide the following features to assure best user experience:

- **Transparency**
- **Availability**
- **MeterX and Ethereum based ecosystem**
- **Own arbitration system**
- **Token usage**

MTRX token is used for payments and transactions inside a platform to ensure safety of payments and guaranteed quality of service. MTRX token is available for purchase with bonus on token sale.

Join our community and be one of the first people in real estate business disruption. Empower construction deals with our Blockchain!
